“ Met Kaden on a family and friend trip recently. We started to hangout on the beach with a group of friends as it got dark out and got really close. Let me talk to him about life and things bothering me without him making it about himself. Gave me advice and made me feel better. I'm very sorry for your family's lost. He was an amazing person.

“ can't fully wrap my mind around this. it feels unreal. Kaden and I knew of each other. I don't exactly want to say we were friends. we snapped and texted but that's about it. Kaden made me laugh i can say that. i'm glad that i got to even get a glimpse of what he was like before he passed away. i can say from what i know, he's a sweet soul. i'm so very sorry for your loss. praying for all of you.
