“ It was a honor to know and take care of Kareen. We met Kareen at Davita when she transferred to Eagles and started her incenter hemodialysis. She spoke often of her loving kids, grandkids, Rusty. her mother, sister and inlaws. Kareen was a very kind person with a great personality, granted she did set us straight when she needed to but in a loving way, she did not want to her anyone's feelings. She made us laugh with her past memories. We will not forget her love for skittles, slushes and her cigarettes. She will be sadly missed by the girls at Davita Eagles. God bless her family as they grieve the loss of this blessed woman. Our hearts have been touched by her love for life and family.
