“ *Kathy (McDurmon) let me know that Karen had passed. I am so sorry for her family's loss. I went to high school with Karen and Kevin, both great people. I remember Karen's big smile the most, and she easily got the giggles. She was smart, kind and a friend to all. Gone much too soon. Heidi (Schaffer) Henderson*

“ *I was sad to learn of Karen being called to heaven at such a young age. I worked with Karen at citizens national bank from 1985 thru 2000. My workstation was right next to hers and we got along great. When our jobs terminated due to merger with 5/3 on my last day, we cried at the end of my last day. As in most cases u lose touch when u work somewhere else. I did run into her once and was able to catchup on her life. She told me she had finally found her mr right and they had married and her name was now elpers. I'm so glad she found him. She is a very special lady and I have a sadness in my heart for your loss.*

Karen and Kevin were such dear friends of mine in high school. I loved Karen's great sense of humor and the fits of giggles she would cause in me. I lost track by moving 100s of miles away, but never forgot the wonderful times I had with them. I'm so terribly sorry to hear about her passing and wish I could do something to ease the pain for her family. Kevin, I send you the biggest hug from the bottom of my heart.
