“ *When I moved to Evansville (almost four hours away from my home) to attend undergrad, she graciously took me under her wing. She was full of light, she was so funny (I can still hear her laugh in my head), she was generous, and so very kind. To Bruce, Laura (and family) and Sean (and family), thank you for opening up your family to me and allowing me to get to know your beautiful wife and mother. I'm wishing you all comfort in the days ahead.*
