“ I was honored to know and work with Kathy at AGF for many years. She was an incredibly diligent and loyal team member who had a ready smile and a twinkle in her eye about the many crazy things that one sees working in HR.

Kathy was also an amazing inspiration in how she courageously battled her cancer. She was the toughest fighter I've ever seen and her spirit to overcome her ailments made all wonder how she could do it.

I will miss Kathy, but I know that her presence among those who knew her was a blessing from God. My prayers go out to you Richard and her family.

“ There are so many memories it s hard to point to just one. Kathy's kindness, her empathy, her thoughtfulness. Sharing christmas with my family. The trays of cookies shared with everyone. Being the godmother to my son and the love she showed all of us will be missed but never forgotten. She was the strongest and most courageous woman i have known, truly an angel forever.

“ *Mr Morris and the Schapker family,
My most sincere sympathy in your time of sorrow. Many many times
through out the years I have thought about Kathy and the good
times we had while she was a student on mine and a member of the
FFA. You remember your very top students and things that she did.
I have fond memories and know that she accomplished her goals
that she set for herself in her short life. May God be with her.*

*Bob Meyerholtz,
Kathy's FFA advisor.*
