“ *I just found out about Kat. I worked with her at USON years ago and she was the sweetest. I felt like I knew Melissa, Carlee, Cruz, and Luke as she spoke so highly of her family. I know she will be missed. Sending love and prayers your way.*

“ *Kat was a joy to work with, she always had a presence about her that people where drawn to. I will miss my cubicle neighbor and our daily morning talks, we made sure to check in on each other as we both had a lot going on but wanted each other to know we were there for one another. she was a great friend who was taken to soon and I hope she is no longer in pain. I want her grandchildren to know, she talked so highly of you, everyday she would tell a Carly or Cruz story and how proud of them she was for their successes. You had a great grandmother and I am positive she is always with you!*

“ *We are sorry for your loss. Kat will be greatly missed by all of her friends and co-workers at the Midwest RBO, it was a pleasure to work with her and have her on our team.*

*She was never shy about sharing stories of her grandchild and their successes; she was always excited for days when she got to go to ball games and cheer them on.*
