“ There are so many memories! Our families were very close. Kay was funny and always positive. She was also a mother to the Betulius kids to. I think we got in more trouble than her girls. She didn't always believe us when we blamed it on the girls. The best part is like our parents, there are so many great memories love and laugh at. Tell everyone high in heaven. We may miss you dearly but you will have a wonderful reception above! Love you and your family always!

“ I enjoyed our many conversations over the years as Kay's hairstylist. She talked a lot about her family, Lou and the farming. Oh and shoes/fashion. She was a dear client. Prayers for the family
