“ *Keesha was the life of the party. As soon as the music played Keesha was there to show off her best dance moves. The Arc will never be the same without her. We all miss her so much!*

“ Hi Larry, I am so sorry to of Keesha' death. You and your family are definitely in my thoughts and prayers. I still think of you every time I look at the small set of golf clubs with the clock built into the bag that you gave to me when you retired. It is very special to me and while I thanked you at the time you gave it to me, I thank you again for being such a thoughtful friend.
