“ *Dear Keith... you were a smart ass, stubborn, and scared the crap out of me in the beginning in 2012 starting as your nurse. But as years passed... I became “Lil Berry” to you, and we all would decorate your room with our love notes for you. You became our friend, our confidante, like a dad for a lot of us girls. I am glad I got to see you again recently. I know you were hurting. Wherever you are Keith, keep an eye on us. Love you.*

“ Dear Rachael and family—
Our family has tons of memories and encounters with Keith during these last several years at West River ! He kept very busy there interacting with residents, staff and family members of residents. Bingo nights were always enjoyable with Rachael or Keith as the caller ! He always greeted me and my siblings during our many visits to our family members at WR. Many times it was several times in one day in the AL and skilled care and related areas. We would often say “ You again!”. Frequent comments would be made relating to various novelty tee-shirts being worn that day by Keith or Linda (me).
Will also miss him at the WSNC Fall Festival each year as he was an active member!

May dear Keith now enjoy eternal rest in the loving arms of our Lord and Savior as he has completed his work as a good and faithful servant to his family and countless friends.

“ Where do I start? We've known each other a short while, but quickly learned we had Tons in common, we shared so many stories and laughs, our Paul Harvey jokes will stay with me forever 😭 I'm sad bc I know I'll never see you in the flesh again, but I'm also happy, Happy that I became a member of West River and gained you as a friend. Now when I'm at work, every night around 11:30ish and 2:00ish I'll think of you my friend, that was our bonding time ❤️

“ Keith and I shared many laughs and good memories together, but I cherish his friendship most. Keith was our organizer and truly cared for our residents, families and staff. Keith loved to have fun and was always creative in ideas and activities that would be enjoyable for both residents and staff. Keith had more life-long loyal friends than anyone I have ever known. If I had a problem, Keith was always there to help me with a solution. Thank you for your friendship buddy! It was certainly my pleasure. Carla Baker

“ My heart is heavy not just from the loss of someone I took care of but the loss of a friend. Keith was so stubborn and argumentative but at the same time generous and kind hearted. I will greatly miss our bickering about who was the most stubborn or who got to be right about whatever we were discussing. I am a better person and caregiver for knowing Keith and I will carry his memory with me forever. Buddy I miss you a bunch and I still say I was right and I'll see you in heaven. My sincerest condolences to his family may God comfort you in this time of loss.

“ God has brought so many angels into my family’s life since dad broke his hip in Oct and you my friend were one of the best! You were his angel at West River! Always checking in on him, making sure he was ok when I couldn’t be there. My only regret is that I didn’t know you sooner. You’ve been such a good friend to me and my family. You will be so missed! West River will never be the same! Fly high my friend, fly high!❤️❤️❤️

“ Keith was our neighbor for many years. I remember him wheeling around the neighborhood visiting neighbors. He enjoyed everyone and everyone enjoyed him in the neighborhood. One day his battery on his scooter ran out just before he reached his driveway (on the slope). Luckily Bill was out and saw him and gave him a push up the hill. It was a good laugh for both of them. Keith was a Great person with a great smile (always), and a great neighbor. I'm sure he will be missed by many family and friends.

Keith was always fun to be around with his quick wit, warm smile and generous nature. Keith had a strong work ethic and was always willing to not only pitch to do his part, but to help anywhere he saw a need. My codolences to all his family and friends.
