“ *I'm so sorry to hear of Keith's passing.  
I worked with him at Kight lumber in the 1980's .  
We would go to see him play drums and even sing some of those  
country songs.  
Loved the time I knew him back then.  
His Trans Am was one of the coolest cars.  
He always looked like he belonged in that car.  
When I would run into him over the years he always made me feel  
like a friend.  
Keith was a great guy,going to miss him.  
Marcy, you and your family are in mine and Terri's prayers.
