“ I want to express my sympathy to Keith's family. I will be unable to attend the visitation on Sunday. I had the pleasure of working with Keith for many years as a union steward, an hourly employee and as a salaried employee. Keith was always Keith and a pleasure to work with. I know you will miss him as will I.##imported-begin##DuWayne Keenan##imported-end##

“ Keith was a true gentleman. In my 34 years at whirlpool, he was one of my favorite "bosses". In the toolroom both as a toolmaker and later a Supervisor, He always made our time together a pleasure.

He was the one who took me into engineering with him and made the transition effortless.

Keith was Truley a fine, fine Man.##imported-begin##Phil McNeely##imported-end##
