“ *It was a pleasure to know Keith for the last 40 something years. You always made me laugh and always made me feel welcome. I ll never forget the story you told me of flying on a plane and landing in Evansville. I had tears in my eyes laughing so hard. I will miss you my friend especially on the holiday weekends at the lake. My favorite memory of you was when I was a teenager. Alone and feeling a little down I drove to you and Kathy's house where you already had plans to go to a party at your neighbors. You invited me to go with you and we played charades and you guys had me stay all night. One of my best days.Thanks for being such a good person to me. RIP Keith.*

“ *My grandfather was my best friend. I knew I could talk to him no matter what and he always gave me the straight up truth. As much as it hurt me to watch him take his last breathe he is a much better place now and there is no more pain and suffering for him. Love you grandpa and you will be truly missed by all that knew you*

“ *So completely saddened by Keith's passing...he's a fixture in my memories, from all the sleep overs, get togethers, the trip to Norfolk Virginia..heck I even worked with him at Kent Plastics when I was in high school. Such a down to earth man with a great sense of humor. Kathy and Kristi, my thoughts and love are with you both...you'll always be an extended part of my family.*
