“ I voted for you last night many times!!! It was really enyaoble watching what you and Chandi achieved, but also to see how she looks at you totally focussed on her mum' and not taking any notice of the noise and lights etc. She clearly loves you very much. Was lovely to see.BEST OF LUCK FOR SATURDAY!! x##imported-begin##Jordy##imported-end##

“ To Mary and the children,
I express my sympathy. I grew up as a kid living on Mary Street and spent many days with Kenny enjoying his friendship and getting into trouble. I remember his Dad and Mother as loving parents and hard working folks, who often struggled raising their family. Kenny learned from his Dad to be honest and hard working. I saw Kenny at our 50th class reunion and we spoke of the past and present. My friend Tom Hunger (deceased 25 years ago)...all three of us were good buddies during grade school and high school. Both of them will be missed. Keeping your family in our prayers, Steve & Colleen##imported-begin##Steve Aichle##imported-end##

“ Went to St. Anthony and Mater Dei with Kenny. He was a year behind me. We joked around a lot and generally had a good time together. Also remember his Mom and Dad and sister. Because of a knee replacement last week, am unable to express my sympathy in person. PAX TECUM, Kenny!###imported-begin##Leonard "Larry" R. Adams###imported-end##

“ I spent all my years with kenny as a kid so many good times. He was so talented he could do anything with his hands I wished I could have any of his abilities. I remember he had to do these things his father wanted before we could go and play! He and his sister were so good to me it was wonderful on Edgar street with the Hollanders. This is when your neighbors were somebody to be proud of! I love him and always will, my greatest friend with a wonderful wife great kids it doesnt get get any better than his family. Love, to family and friends, wes###imported-begin##Wes Thomas###imported-end##
