“ I am so glad I had the opportunity to become friends with Kim. I met Kim at Ohio Valley (later Field and Main). She was a valued "jack of all trades", acting as a Commercial Loan Assistant and Documentation specialist. She also interacted with lenders and clients to help things run very smoothly. She was the most talented in her role of anyone that I had ever worked with. Clients loved her, as she truly cared about them.

I remember Kim had a book of short Christian inspirations she would read to begin her work day. She had a way of making others feel special and saw her role as a way to make a difference. She taught us kindness matters.

Kim loved her family, including Daryl (her best friend) and her children, grandchildren and great grandchildren. Also, I recall how excited she was when she would get to spend time with her sister Paula.

Although there are no words I can say to take away the pain, may you know we are feel truly blessed & grateful for knowing Kim. My husband David and three sons (Aaron, Ryan and Matthew) fondly remember how sweet she was.

Kim is in our prayers as well as your family.

All our love,  
Beth, David and family

“ *Kim and I worked together for many years in Human Resources at Citizens/Fifth Third Bank. She was such a conscientious and dedicated worker. We had so many laughs at work and out of work when the human resources gang got together for parties and get-togethers. What I remember most about Kim is her love for her family. Daryl was the love of her life, and her kids and later grandkids were her whole life.*

*All of the Abell family is in my thoughts and prayers. May hope and peace be yours today and always.*
