“ A personality as big as Kim's certainly can be captured in word!! She was truly one of the most honest and loyal people I'll ever meet!! She came into our lives at the perfect time!! As many of us (ESPECIALLY Larry) came into retirement and more time, you could count on Kim to fill it with fun and laughter! You will be missed.

“ Kim was a lovely human with a heart of gold. Kody was the light of her eyes and she'd do anything for him. Then he brought two perfect little girls into the world for her to adore and love. Kim you will be missed by many who love you. May you rest in peace.

“ With eyes that would light up a room, a smile that would infect all of those around her, and a heart that was big enough to encompass all who wanted in, Kim's person will always be missed but her presence will always be felt by those who loved her.

“*Kim was a beautiful person inside and out. She was full of life and everyone that knew her loved her. She would do anything for anyone and everything she did for everyone else was over the top. She loved her family and grandkids and gushed over them almost every conversation I had with her and there was never a day she didn't talk to me and make me smile and laugh. She is with the Lord but I'm selfish along with everyone that knew her and this has left a void in my life and work won't be the same without her. Thank you for everything you've done for me. You were a blessing and I love you like the sister I never had. I wish I could say something that would make it better for her family and friends but those words don't exist in my vocabulary or mind. I love you and I will miss you.*
