“ Mom, just want you to know that I love you. You were one of the most kind and caring people I know. You always took care of people, it was more than just a job for you.

You always went the extra mile and most of the time did without. Always willing to give whatever you had and ask nothing in return. We may not always have seen eye to eye. Everything you did was out of pure love. I hope you know that I'm very proud of you.

I will always love you. I just wish we had one more day.
