“ Kyle's intelligence and remarkable, quirky wit are among the things I will remember of him. He was one of our merry young pranksters junior and senior year at Castle High. Bonfire parties on the banks of the Ohio and Midnight movies at Theater A. Best wishes on your continued journey, Kyle. P.S. Thanks for getting my dad's car out of the ditch. He never found out. - Charlie Woehler

“ *Becky, Kiersten, Dane & Leslie , Just want you to know you all & the rest of the family are in our prayers . Kyle was a great friend & peer to work with at the hospital. He was always so respectful ,sweet, & kind to me. I will never forget one evening when every ones stress level was to the max ,we hadn't had dinner & he went & got us peanut butter & strawberry jelly sandwiches & strawberries that he sliced thin & put on our sandwich . We laughed & had a dinner that I have remembered for many years & always think of Kyle any time I see strawberries or peanut butter. Kyle never knew how much that simple sandwich meant to me. There is no words that I can say to let you know how much he has meant to me down through the years & the love he had for you his family . We spent many times talking about how proud he was of all of you and how much he cared about all of you. God Bless, Betty & Bob Harker*
