“ Even though there was much animosity between myself and the Brunson family, I am very sad to see that Lana has passed. Even after everything between us, I did love her so. You all have my deepest condolences.

“ Lana had been so very kind and thoughtful when I was a teenager. She had been a friend to several teens and was the wheels for several. She played on the ladies softball team too in which we watched a lot of games. Believe it or not at was after a game of Uno in the early morning hours that I was called to the ministry at her house. I am so sorry for the loss.
