This was a great tribute to Larry and his family. I am truly sorry I wasn't a better friend to keep in contact with him and his family life. He was a good man and as these pictures show, a great family man. A life well lived.

“ I was sorry to read of Larry's passing. I can never remember a time that I was around Larry that he didn't have a smile on his face, even when we were getting trounced in a pick-up football game in Henderson, KY. Larry was a person you were always glad to see and he always seemed glad to see you as well. My condolences to the family.
