“ *To all family, I'm saddened to hear of my cousin's death. We spent many hours and days together when I visited with my grandparents at Pleasant View. We were close cousins and have good memories of those days. She enjoyed life and everyone around her. I praise God for a life well lived. I remember you today and wish I could attend the services and visit with the family but my health doesn't permit travel. Love to all.##imported-begin##Martha Clement Carlson##imported-end##*
