“ Larry : Our 50 year friendship will last for ever and forever. I have been so very lucky to know you. We certainly had a great time at the Abbey Press and an even better time on the Abbey Softball Team. Our families are the best. Like we have over the years let's keep talking. You have always made me feel great when we talk. Thank you for always being my friend, lucky us that will never go away. I will be talking with you always. God Bless my friend you made a difference in my life.

“ To Siggys and family my sincere condolences. I have wonderful memories of very early days outdoors at Dexter; very many things at Bosse including Larry as star of the intramural basketball team; bowling team; cards at Jay's; golf later. Larry always smiling and working at everything so hard. His integrity, his honors like military service to the country as shown by the embedded plaque near the 4 Seasons monument downtown honoring him and Lawrence and Ronny. Never to be forgotten.
