“ Scott,

I'm so sorry for the loss of your mom. She was such a treasure. She never forgot my birthday or anything special that went on in my life - she always sent me a card. But she loved her cosmetics, and if her packages at Christmas were smaller than the year before, she would call you and you would call me, and I'd have to send some more. She knew exactly the pieces that were in the box! Your mom was an amazing person and you got your strength from her. I will cherish my memories of your mom, like the time we went to visit her. She made me fudge all the time, even though I'm allergic to chocolate. I always wrote her a note to tell her how wonderful it was.

*Love,
