“ *Mom was a very strong, and loving lady. Any time any one of us girls needed help regardless health or emotional mom there for you. Right up to the last day she was still checking on each of us. I will always cherish the one on one time I had with mom over last few months she was with us. I know she is watching over us only now with dad. I love you both and miss you.*

“ *Lela kept a young girl (me) company while my future husband was off in the Navy. May you find comfort in our Lord and the knowledge that she was greatly loved by her wonderful family and many friends.*
