“ *I know Lena will be missed very much. I use to deliver meals to her, but after my car accident and having to quit my job Lena and I lost contact. She was a very special lady. I will never forget all the happy times we had. I just want the family to know I will be praying for them. I regret I could not attend her services because I just had surgery. May God comfort all her friends and family during this difficult time. Teresa Boyd###imported-begin##Teresa ###imported-end##*
