“ *My grandparents, Lawrence & Frances Crouch lived next door to your family many years ago. I can still remember Leona showing my grandmother the christening gown that their baby daughter, Sherry would be baptized in. So long ago, so many fond memories of visiting along with my parents and siblings with our grandparents and their friendly neighbors on Glendale Ave. We hope you can find peace & comfort in your many good memories and in knowing your mom and dad are together forever now and watching over all of you from their home in Heaven. With deepest sympathy from the Crouch Family.*

“ I'm sure you don't remember me, but my grandmother, Maggie Coley, lived directly across the street from your family. I remember sitting on the porch with Grandma and visiting with your parents and the other neighbors. What a good time in my life, things were so much friendlier then. I pray for peace and comfort for your family and I know Mrs. Strange is with Willard and resting in the arms of our Lord and Savior. God Bless you all.

“ I wish to offer my sympathy and prayers to Leona's family. I enjoyed visiting with her at Sara Luigs' wedding. It brought back memories of getting together at Aunt Liz and Uncle Lawrence's house.

“ I remember Mr. and Mrs. Strange treating me like I was their own...Poor Sherry had the task of trying to teach me to play tennis for our work team at National City Bank way back in the late 70's....we would go to their house for supper before heading out...My prayer for the family is that God's strength be with them during this difficult time...As I told Sherry earlier...my mom has passed so I know Leona was welcomed with open arms and a huge hug...My LOVE to you all

“ *We are really going to miss Leona. She was always happy and very friendly. Her loving and dedicated children kept her on her toes with lively conversations and outings.*

She was a jokester also! Once I (Linda) was at the nurses station all of a sudden my knees buckled. There was Leona behind me being mischievous!

She was a joy and faith-filled. Her children became our friends as we were in classes together at Mater Deli. Later in our lives we interacted and visited at West River.

Our Lord and Savior now has her with Him as she was a good and faithful servant during her long live on this earth.

“ *Leona was such a kind gentle soul. She always had a smile on her face and loved everyone. She was blessed with loving children, loving daughter-in-laws and son-in-laws, grandchildren, great grandchildren etc. who are going to miss her so much but know she is in a better place now. She was very fortunate that all of them enjoyed taking turns taking her places and being with her. We are going to miss Richie and Sharon stopping by with her in the car and talking with her and was even lucky enough to have lunch with her. She is now an angel in heaven!*
