“ To Travis and Tesla--A mother's love can never be replaced and you will miss her so much. But remember she is only a memory away and always in your heart.

To the rest of the Kissinger family--I hope that soon the memories you shared through all the years with Linda will overshadow the sadness you are feeling now. I am sorry I couldn't make it to the funeral home, I had intended to but due to illness was not able. My thoughts and prayers are with all of you.##imported-begin##Nancy Potter##imported-end##

“ I was not able to attend in person, but to all of Linda's family...I am sorry for your loss. Linda will no doubt be missed by many.

*It will be the little things
that you will remember
the quiet moments, the smiles,
the laughter.
And although it may
seem hard right now,
it will be the memory
of these little things
that help to push away the pain
and bring the smiles back again##imported-begin##Bill

“ May all who knew and loved Linda find piece in the lord and know she is with him. As someone who has lost dear family members, as I have, I know time is a healing process we all must endure. with faith and time, you will heal. You will never forget but the pain will ease.
