“ Tim, I am deeply saddened to hear of the loss of your beautiful mother. Linda was always so warm and welcoming and full of love. I lost my mother last year and understand the grief that consumes you. All I can say is that it will get easier with time, I promise. I pray for comfort and peace for you and your wife. Your wife's tribute was lovely to read, so wonderful that you all were able to fulfill your mom's wish to see the ocean... may she now soar above it. Please give my condolences to your family.

“ I am sorry for your loss. I just found out about Linda last night. I used to work with her at head start in Evansville. Linda was a great person and great with the kids. She always had a smile on her face and kind words for everyone. Linda will be truly missed. Rest in Heaven my friend.

“ Linda became my mother in law October 15, 2016. But I met her in 2014. She and Bill welcomed me with open arms. We would sit up for hours, sometimes 2am, playing cards or train. Tim & I got to take Linda & Bill on vacation to Gulf Shores, AL in October 2017. She was starting to have more severe breathing problems but she wanted to see the ocean for the first time & we wanted her to do just that! I will never forget the look on her face when she walked out on that balcony and saw those beautiful waves hitting...and we all cried happy tears because she looked out and said, “I never thought I’d get to see this. “ Tim just stood there with his arms around his mama. I’m so blessed to have known such a great person. You’re so missed already Linda & you were one of the best mother in law a girl could ask for. Until we meet again RIP

“ *Linda was one of the most generous ladies I have ever met .She loved her animals . I loved her because she was not a serious card player . She played cards like me (strictly for the fun of it) . Tou made the meanist pot of chicken and dumplings which she would send over if you were sick . I will surley miss my sis by marriage .*
