“ *Nikki Stoffel - Hi Charley, My fiance and I are crutenrly residing in Kiev. We are both Americans and would like to get our engagement photos taken while we are abroad. We would like to take a long weekend at the end of September to London and have them done there. We would probably head to London on a Thursday and leave the following Tuesday. We were thinking September 27th to October 2nd. Would you have any availability during this time? What is your pricing? We are not at all familiar with the area, so would need your guidance as to location. Thanks so much for your time, Nikki Stoffel###imported-begin###Maria###imported-end###*
