“ Lots of great memories! Playing duets with Lisa such as Brian’s Song” in the talent show at Perry Heights. We also played “The Entertainer,”... so much fun! We did the a hokey Pokey in a few contests....

She taught me to play, “Lean on Me”, on the piano, and I still play that now for fun. We grew up playing music together on the piano, which is a tribute to her musicality.

Mostly, we acted silly, and that was a great outlet for us.

Everyone in our class got us mixed up. We were together all the time... so when someone walked up to us, they always said both of our names..... until they clarified who they were really talking to!!! We looked enough alike that it was truly confusing some days!

Linda, Shannon and Todd.... I regret that I wasn’t able to get coverage for my classroom, (during Covid it has been harder) so that I could come to the funeral.

Fond memories of Lisa and her musical legacy will go on forever.

Never forgotten ❤️❤️❤️❤️

Love and prayers for you all
