“ *Dottie, we are so shocked and sorry to read about your loss of Lisa. She has always been such a beautiful soul who was so devoted to her sons. I always looked forward to sitting with Lisa and you at Special Olympics bowling. We had the best time sharing stories and laughing together. I can't imagine the pain you must be feeling right now. And your grandsons are without a mother now. Please know that we are thinking of you and praying for you. Love and prayers. Gary and Angie Green*

“ *Andrew and Justin, I am so sorry to hear of the loss of your mother. She was such a sweet, pure person who loved you both so much. I enjoyed so many years at the bowling alley during Special Plympics bowling that we would sit together with your grandma and laugh and talk. Can't imagine how painful this is for you. Love you guys. Angie and Gary Green and Nicky in "spirit."*
