“ *Aunt Lois was a loving Christian woman. It was always a treat to spend time with her. As a child it was always special when we were able to travel to visit Aunt Lois and the rest of the family. She made everyone feel special and loved. I am thankful for her memory and sharing of growing up with her siblings. She and my dad could talk for hours about the good ole days! We know that the angels in heaven are rejoicing now that she has joined our Lord and Savior.*
