“ *Terri, We were in Colorado when Gloria texted me about your Mom. So wished I could have attended the funeral. She was blessed with a wonderful loving family that cared for her. I am thankful for the visit I had with her when Elvira passed. It brought back many wonderful memories when I worked for her at Shanes. Peace be with you and your family. Debbie Ellerbrook*

“ *Terri -- So sorry to hear of the death of your wonderful Mom! I have always thought so highly of her -- and you! I know that your loving care in her time of illness surely meant a lot to her -- and was a precious time for you. Though you know she is at peace and completely happy-- still you will miss her much. (I was out of town this weekend and so did not get to the funeral home.) Thinking of you...and praying that you are comforted by the care of others. Sr. Donna Marie*
