“ Dear Pam and family, My thoughts and prayers are with you. Louie was a wonderful man, friend and leader at St. Paul's. I loved being on the church council with him when he was President and on numerous committees and in many positions where he directed the work of St. Paul's. He always knew just what to do. I will miss him, as many will. But his laugh, smile and legacy will live on in our memories.

“ We are so very sorry to learn of Louie's death. He was a great guy who will be missed by so many. While Louie was always there to help in any way he could when I served as one of the pastor's at St. Paul's, he was the one who would call and let me know when there was anything I needed to know. He had an uncanny ability to always know the latest news, especially on the west side. When United Caring Services needed a fund raiser during the Fall Festival, it was Louie who stepped forward with a great idea that he helped make possible. He and Pam were such an incredible team and it was her love and support that kept Louis going these past several years. He loved life and his family so deeply. Our thoughts and prayers are with Louie's family at this difficult time. Fondly, Lynn and Joe
