“ *Although I cannot be there in person, I am there in spirit. Aunt C'ille was such an incredibly beautiful person and one of the strongest women I've ever known. I smile at the thought of her being reunited with all of her family up in Heaven. A few years ago I received a package in the mail. It was a pillow that Aunt C'ille had made for me using one of my Grandma Lucy's hankerchiefs. She apologized in the letter for being 20 years late with the pillow but that 20 years late was better than never at all. I couldn't help but laugh. I am so sorry for the loss of your mother and your grandmother but what a legacy she has left behind! She was truly a woman who was one of a kind in every sense of the way!###imported-begin##Jill Inmon (Arnold)###imported-end##*

“ *To Lucille's family, I am so sorry to hear of her passing. I often thought of her and remember the times my Mother (Jeanie), Lucille and I would enjoy choir, singing, especially Lucille coaching me as I sang my first solo at HUMC at an early age. Lucille's warm smile and genuine love will be missed, but never forgotten. Mother and Lucille are probably already singing praises to our Lord. Fill your hearts with fond memories, especially during this time, and always. Fondly, Janet Lou Edwards Mobley, Indianapolis, IN.###imported-begin##Janet Edwards Mobley###imported-end##*
