“ *To all the James family my condolences for your loss. I will never forget the time when I was married to Denny and she told me she wanted me to call her Mom, and she looked at me with that cute little smile. How could you turn her down, she was just so cute. I will always remember that cute little smile, so innocent like a child, I will always have her in my heart and miss her dearly. My prayers are with you and now she can have all the Diet Rite and cigarettes she wants. Love you Mom!!!imported-begin##Sherry Garrison##imported-end##*
