“ I am so, so, sorry to hear of the family's loss of this sweet lady. My sisters and I went out to Lucy's every year to buy flowers, garden plants, and trees. She always had a kind word, plenty of stories, and her knowledge of plants and how to grow them was next to none. She was a very special lady. Please accept my sincere sympathy. May the strength of God's love and your precious memories help you through this difficult time.
