What a wonderful person God needed. The memories of your Mom will always be with me. My favorite one is she taught me how to milk a cow back on one of those butchering days. Prayers for each of you. ❤️*

“ *Even though I never lived out at mom and dads, I have so many memories of Margaret and Art. Bull Island is a big one, but oh my goodness could she cook. Stucco House food was the best ever when Margaret was cooking. She also always had a smile on her face every time I saw her. Lovely lady!!*
