“ There are many, many wonderful memories of times shared with Margie and with her family over many years. Her invaluable support of my father at his business made her a valuable member of our family as well as a work associate. She was a wonderful soul that we cherished. She was there for us for every milestone of our life's journeys. Our thoughts and prayers are with the families. May you be comforted with the knowledge that she is truly loved and was a bright light in so many lives.

“ Margie and Edgar's house was my second home during college years. I was always welcomed unconditionally. I have many very fond memories of evenings spent in their living room. Carol and I were in constant collaboration on some sort of project and Margie and Edgar were always right there with us. Some evenings Linda would pop over, too. Margie and Edgar hold a special place in my heart!!💕💕
