“ *My deepest sympathy to the family of Elaine, of very special person and was always getting "our" table ready at Stoll's, when she saw us coming for breakfast. She always remembered exactly what we needed and was always so cheerful, getting our day off to a great start! She knew us by name and was a comfort to me when my husband passed away two years ago. The many lives she touched have been greatly enriched from knowing her for she was a "very special person"!*

*With Special Love & Prayers,
Betty*
