“ I loved having Marion for a neighbor! He was always so watchful of things. He and Sue always were on the go! I will remember the many memories of driveway chats and just visiting!!!! I remember one time the Easter Bunny visited him and he was all smiles from ear to ear!!! See you again someday!!

“ I know my mom, Betty, lived for his phone calls, they would make her smile ear to ear, friendships are so important, especially when it's just to check in. She is truly saddened by the loss. May he rest in peace, he will be thoroughly missed.
