“ *My heart is so sad. I wish we had lived closer, and had connected sooner in life. I am so grateful for the time we had, and I will miss our occasional phone calls and laughs together. It was always fun talking about the family and our pups and your volunteer work.*

The world would be a better place with more Margie's like you in it. Love and hugs to Cheri, Lionel and all your family and friends. We miss you already dear cousin.

“ *Margie and I met at Swirca had a tai chi class. I had my dog there with me that day. Margie came to visit her and we struck up a friendship that has lasted for five or six years. She was a real dog lover, especially dachshunds. We spent many hours having lunch and talking about our dogs. She was one of the kindest people I made friends with later years. She dearly loved her daughter Cheri and all the fun times they had together. She loved her church, family and her Humane Society family and had great memories of working at the men's shelter. I know I'm going to miss her. We always have so much to talk about and most of it revolved around dogs. Godspeed, Margie. !*
