“ To Mike & the Crowe Family

You and your family have been in my thoughts since I saw your post on Facebook. Losing a family member suddenly has to be one of the worse things imaginable. It's bad enough when you know it's coming. Either way we are not prepared for it. I hope each day gets a little easier and more bearable for you and all your family.

“ *My cousin Mark, contributed a lot of happy memories to my life, and I'm glad my daughters have good memories of him too. Growing up in a large family meant going to many family picnics, many reunions, and many holiday gatherings, regardless of how many kids were in tow! Mark made our family time together seem extra fun because upon arrival...you knew he would be there to greet you with one of his big cuddly bear welcome hugs. Mark's 'light' in our lives will be greatly missed.*

*Love,
Terrie Jean*

“ We pray the love of God embraces you during your journey and overcome your sorrow to find peace and comfort. “Though nothing can bring back the hour of splendor in the grass, of glory in the flower, We will grieve not, rather find Strength in what remains behind.”

I went to high school with Mark and he was such a nice person. He could make you smile or laugh in a second. I haven't seen him since high school but so wished I had. My thoughts and prayers are with your family through these tough times.

Mark was one of my favorite cousins. He was kind, funny, good hearted...had a very positive attitude. I always looked forward to seeing him at our family reunions. This is a sorrowful and celebrative moment. See you in heaven Mark.
