“ I went to high school with Mark and he was a very dear friend. He was a great basketball player and dressed really sharp and loved classic vehicles like that red chevy truck and beetle bug. I am sorry it has been so many years gone by and we never got to the chance to see each other or laugh about old times. You will be missed but we know you are with God now. My prayers are with the Massey family 🙏

“ *Mark was a very special person and a very caring friend. He always checked in on me, supported me and was there to help when needed. Stubborn as hell, which I found infuriating at times, but he lived life the way he wanted to and to the fullest. He LOVED his family and talked about you so much. I'm so sorry his physical presence is no longer with you, but I have no doubts he's still here in spirit watching over you. Love and hugs! ❤️ Stefanie Silvey Brinkman*

I am in disbelief, my thoughts and prayers are with your children and family, Mark was an excellent photographer, cook, host and friend. He knew how to listen and he knew when you needed a nudge or as he and Chris lovingly referred to it ...a little Otha. 53 wasn't long enough, you loved to travel and had places you wanted to go. No one and i do mean no one knew music like you! You could name that tune in 3 beats. Rest now my friend, HE has prepared a place for you.
