*Dear Laura and children,
My heart is heavy as I read of your husband's death, also knowing that many of your loved ones have left this earth! My husband Mike also died at 50 -- much too young! Know that I am keeping you and all your family members close in prayer at this difficult time. Trust that Mark is now pain-free and that he rests in the loving embrace of the God who made him. May he rest in peace. Also wishing freedom from anxiety for you and all your family! With love and countless prayers of gratitude for the wonderful memories I have of you and your family at MND . . .
