“ *Tammy,*

I was with Sara yesterday and she told me about your loss, I am so very sorry. Yesterday was 7 years that we lost Larry. So I bet anything Larry is showing Mark around and talking about cars... Again, I am so sorry for your loss. May your memories give you comfort during these difficult days.

With Love,

“ I will miss you Mark. You were like family even though we were only neighbors. I loved watching you work on your equipment. You were just teaching me how. We had lots of plans this summer and in the years to come. I know you're in a better place, but I wish you were still here. You made my life better.###imported-begin##Dawson, a.k.a.
