“ *We are at a loss for words to express our Heart Felt sympathy doing your hours of sorrow. There is so little we can say to bring you all peace of heart today. Death is in the path of us all, yet, when death comes and invades the ranks of the family, God stands with open arms, and a loving heart to comfort and strengthen us.*

“ I remember each and every experience with Marlene like it was yesterday. Christmas family dinners, my wedding shower, and my wedding day (to name a few) all hold special memories that I will always cherish. I can still hear her voice.

It is for these memories that I am thankful to God. Marlene was plucked like a flower by God from his beautiful garden.....she was a rose.

With sympathy,
