“ Marlene will be deeply missed by my sister Judy. She would tell Judy to say hi to me with every conversation. She would tease Judy and tell her I was “the best sister” She will be missed! Spread your wings and fly to your heavenly reward!

“ My Godmother/Aunt Marlene held a rare precious soul, that shined ever so brightly upon this Earth. My foundest childhood memories, can always be remembered with her singing "Ring around the Rosey" beside my Grandmother's beloved iris garden and falling into the grass. My heart is broken, for an Earth angel has gained her wings. Go fly high Marlene, I will always love.

“ Aunt Marlene was the best! I will never forget all the stories she read to us when we were little from her books written in Braille. She was a true woman of faith and treated everyone she knew with the utmost respect, love, and always had a positive energy outlook on all life. She was an extremely happy and pleasant person. For those who believe in heaven, she is on the express lane.
