“ I feel blessed to have worked with Marsha for many years at the EVSC. She was a beautiful person inside and out and was a joy to work with. She was one of the strongest women I've known. Her faith and attitude were amazing through her journey fighting this horrible cancer. My deepest sympathy to all of her family that she loved so much. Fly high Marsha, as I know you are where you want to be rejoicing with Jesus! You will never be forgotten!

“ My heart is broken, I have some of the best memories and wonderful moments of first meeting as a co-worker in the Marketing department at Deaconess Hospital. This led into a friendship that included our daughters becoming very close friends at Reitz High. Once a trusted friend you were always included in her life! I can only imagine the reunion in heaven with her Mother Mary Lou. Her faithfulness to her Lord and Savior definitely has opened those golden gates. Our last words of “Love You” to one another will always be our last gift to one another. She will definitely be missed but I feel blessed to have had her in my life. Love you and ‘Chow’!

“ We are saddened to learn that Marsha has gone. My favorite memory is our time in Hawaii a few years ago. We laughed so much and all enjoyed being together. It was wonderful. She will be missed, Jen and Brandt.
