“ *Dearest Cousins & Families,*
I'm so sorry to learn of the passing of your Mom, my Aunt Regina. She was a thoughtful Aunt to me during my childhood. I remember many times when she tried to help my parents or myself. She had a difficult childhood and had to overcome polio, quite a remarkable accomplishment for any woman of her time! I know she was quite proud of all of you and your extended families. During my adult years I often spoke to her on the phone, wrote letters or exchanged cards with her during special times. I enjoyed our conversations very much, especially since my own parents have been gone for quite a long time. It was always nice to talk of days gone by with her and sharing her funny stories from her gambling experiences! I will miss talking to her. I know she had great difficulty when your father passed on as she missed him very much. I'm happy to know all of the siblings and family members can now join together, full circle, once again, and enjoy each others company, forever. I hope all of your lives are blessed in some manner as your Mom's way of letting you know how much she loved each of you. My sincere sympathy,
