“ *As we were growing up, Martha was like the sister that I never had. Although we didn't get to see each other as often as we would have liked, we always picked up where we left off when we did get those times. I was so glad that she was able to join us in Florida for our annual girls on the beach/cousins trip a couple of years ago. I will miss our letters but will forever keep the many memories close to my heart. She will be greatly missed. Much love to the family. Love, Lori Burton Rushing*
